Submitted for Orders

The Principal of the Agricultural College in his letter dated the 9th Feb^y reported that a Mysore scholar named D Venkata narayanappa resigned his scholarship and recommended that the vacant scholarship might be given to S Shankaranarayanappa As a rule vacant scholarships are not given to others in accordance with this rule Shankaranappa was informed that his scholarship was not sanctioned According to the same rule the applications of two Mysore students for a Bre vacant Medical scholarship strongly recommended by the Principal of the Medical College were rejected a few days ago

As Shankaranappa's claims being greater than those of the two scholars selected last year, that is a deduction under which every candidate for a scholarship labours, that he has greater claims than all the other candidates

I have the honor to bring to your notice that D. Venkatanarayanappa, Mysore Government stipendiary of Class II, has not attended College since it reopened after the X'mas holidays. He wrote to me some time ago requesting permission to leave the College on the ground that his father's recent death rendered it necessary for him (Venkatanarayanappa) to look after the family property. I replied on 28th Jan. to the effect that he would have to get the permission of the Mysore Govt:. I have heard nothing more about the matter and have taken it for granted that Venkatanarayanappa has taken steps to obtain the necessary permission. It of course lies with the Mysore Govt: to take steps against the student for the recovery of all moneys paid to him.

2. In forwarding the enclosed

petition from M. Shankernarayanappa of Class II, I would recommend that the vacant Mysore scholarship be conferred on him He is, I think, worthy of the encouragement for which he asks If his request is acceded to, I trust he may draw the schol-arship at rates which Venkatanar-ayanappa would have done had he remained at the College viz

from 1st Jan 1895 to end of 2nd year . . . Rs 12-8-0

Third year . . . . . Rs 15-0-0.

Venkatanarayanappa's schol-arship has been drawn up to 31st Dec 1894.

The humble petition of M Sankaranarayanappa a Student of the College of Agriculture Saidapet

Most Respected Sir

I was one of the applicants last year to the agricultural Scholarships granted by the Govt of Mysore Though I have a better qualification than the two students to whom the two Scholarships of last year were given, I was not granted a Scholarship

As one of the Scholarship Students by name D Venkatanarayanappa, who was my class-mate left this college from the 1st of January last, owing to the death of his father, I applied to Mr H J Stokes to continue the same Scholarship in my name But I received the order some days back that "it was not sanctioned"

If D Venkatanarayanappa had continued his study in this College, Scholarship would have been continued to him

I am a Mysorean and I possess more than 100 acres of land in the Hassan District and pay an annual tax of more than 500 Rs with the object of improving my land by the knowledge I derive in this College, I joined this College as a paying student As my circumstances became very

very bad after my joining this College, I had to seek the assistance of the Govt for my help in finishing the full course

Therefore I request you now to take all the above stated facts into your merciful consideration and order that vacant Scholarship be continued in my name

For which act of kindness shown to me shall be ever grateful and obedient to you.

I was one of the applicants for the agricultural scholarships of last year and year before last though I was not one of those applications whom the said scholarships were granted, I was not frank

Then I requested you to continue the vacant scholarship of one D Venkatnarayanappa who left the College owing to his father's death I was not granted then too

With very great difficulty I have finished my two years course in the College as a paying student and have to study one year more to finish the full course

I am a land holder in the Hassan Dist possess more than 100 one-hundred acres of land & pay an annual tax of more than 300 Rs with the intention of improving my land by the knowledge I derive in this College, I joined this College as a paying student as my circumstances became very bad after my joining this College, I have to seek the assistance of the Govt for my help in me finishing the remaining one years course in this College without any pecuniary difficulty whatever

With regard to my study and character, you can come to know if you kindly refer the matter to the principal

I request you therefore to consider my case well and grant me an agricultural scholarship & thus enable me to finish my remaining course

No 157/4 Mysore, 11th July 1895

From

The Inspector General of Education in Mysore.

To

The General Secretary to the Government of Mysore, Bangalore

Sir,

With reference to the First Councillor's remarks on my memo which I enclose herewith dated 25 June 1895 written as Education Secretary regarding an application for an Agricultural Scholarship from M Shankaranarappa, I have the honour to state that I have already explained in my memo dated 21st March 1895 also enclosed herewith why no scholarship was given to him in February last I received no application from him in 1894. Probably in 1894 he made a verbal application to me at a time when no scholarship was vacant or when his claims were not considered stronger than those of others - He has now produced satisfactory testimonials to show that he possesses not less than 50 acres of land in Arkalgud Taluk and that he is a native of Mysore I intend therefore to give him a scholarship of Rs 15 tenable from the 1st July 1895 during his third year course in accordance with the rules -
